

Dear All

Summer holidays? What summer holidays? They've been and gone without us even noticing!

Oh well, here's some great news to brighten up everyone's day. Huge congratulations to Elliot Storey for being chosen to represent Great Britain in the Sophia Cup in Bulgaria on 5th and 6th October. We are incredibly proud of him and Sky High should celebrate this massive achievement. Not only that, he has already been told that when the Germany Youth Match is rescheduled, he will definitely be one of the Great British representatives. Wow - well done Elliot!

Katherine Venn was a superstar on behalf of the Club in Loulé, Portugal on 7th September achieving 13th place, which was brilliant considering she was competing against some World Class international performers. Sadly, this will be her last competition on behalf of Sky High as she is off to pastures new..... to University in Cardiff. We would like to wish her all the very best and thank her for all her hard work. Good luck Katherine - you'll be sadly missed!

Please don't forget the Sky High 100 Club. If you haven't joined up yet, please consider it carefully. Not only do you have a chance of winning money, but it also raises funds for the Club.

Good luck to Natalie Axell, who is just embarking on her Level 2 course. She has been coaching several of the term-time recreational classes since achieving her Level 1, but will now be involved with the Club, particularly on Monday evening sessions. Also, fingers crossed for Debbie Green who is taking her practical exam for her Level 1 on Sunday 16th September.

Forthcoming competitions:

Sussex Synchronised Championships	30 th September at Fun Abounds
Regional D - G Gillingham	14 th October at Jumpers Rebound Centre,
Regional DMT Championships Gillingham	20 th October at Jumpers Rebound Centre,
Regional Individual & Synchro Centre, Gillingham	Championships 21 st October at Jumpers Rebound
Club I & County H	18 th November at Hailsham Community College
Regional Schools	2 nd December at Fun Abounds

Good luck to all those competing at the Synchro and the D-G in October. We have the largest entry from any Club in Sussex in both competitions, so we are now the major force in the area. There is a definite correlation between the number of training hours and results and all Sky High members should realise how fortunate they are to access such a wonderful facility such as Fun Abounds. There are so many talented performers out there in other Clubs only able to do minimal hours per week as that is all that's on offer - just imagine if they were given the opportunities you have. Watch out Elliot, there'll be so many biting at your heels very soon!

(From Stella (the Ed).....

I would like to say a sincere thanks to everyone for your very kind wishes over the past month. My darling Mum, my very best friend, sadly died on Sunday 5th August and my life has been turned upside down. I cannot even try to express how much I miss her and I am exceedingly grateful to those who have supported me through this terrible time.)

Happy bouncing!

Stella, Gail, Mike, Chris, Kim, Val and Natalie - The Sky High Coaching team
