

Dear All

2012 seems to be fast disappearing as we are already talking about Christmas and the New Year and looking forward to great things for Sky High in 2013.

Many congratulations to Elliot Storey for his huge success when representing Great Britain in the Sophia Cup in Bulgaria on 5th and 6th October. He came an amazing 4th place in his first international! We are incredibly proud of him and Sky High should celebrate this massive achievement. Also, the selection for the Great Britain vs. Germany Youth Match has just been announced and Elliot has a definite place, to be held in Poole, Dorset on 1st & 2nd December. What a superstar - well done Elliot!

Katherine Venn, Jack Fitch (Reserve), Finlay Andrews and Stanley Hughes (Reserve) have been selected to represent the South East region (Sussex, Surrey and Kent) in DMT and Elliot in trampoline at the English Championships in South Shields on 27th October. Additionally, Chris Jenner and Stella Jackson have been selected as Coaches and Kim Kennedy as a Judge. It is a real honour to be selected and everyone is really appreciative of the opportunity. Sadly, Finlay will be on holiday and unable to go so Stanley has the chance to go in his stead as he is the Reserve. Jack will only go if anyone should drop out of his group, Senior Men DMT. Good luck to you all.

Congratulations to Debbie Green for passing her Level 1 exam recently - enjoy!

The Sussex Synchronised Championships were held at Fun Abounds on Sunday 30th September and Sky High once again did extremely well...

What fantastic results - well done everyone!

At both of these events, we would like to extend a huge thank you to all who volunteered and helped in whatever capacity they were involved as these fantastic performers would not be able to perform without you being there. There are too many to mention, but to you all - THANK YOU!

1st & 2nd December at Olga Club, Poole
2nd December at Fun Abounds

At the Schools' competition in December, we will once again be asking for lots of help with baking cakes, rounding up teddies (the last teddy tombola raised £53!), setting up, selling programmes and lots more, so please be prepared to roll up your sleeves and get stuck in!

On Friday, 2nd November (half term) training will be from 4:30pm - 6:30pm as is usual during the holidays. Over Christmas, the Centre will be closed from Monday 24th December until Wednesday 2nd January (thought we'd forewarn you).

Happy bouncing!
