

Dear All

Well the logo is now sorted and the website is being updated, so what's next? We are aware that it is important to keep everyone informed about what's going on and the question that we're being asked over and over again at the moment is - 'what's happening about the leotard?' We have designed a leotard which we know is going to

be absolutely stunning and unique to Sky High, however time and labour involved in making any outfit means cost! We are asking several Companies to quote for the same design and the average cost for the long sleeved girls' leotard is £60.00 and the cost for the boys unitard £30.00 so far. As a result, we have made the decision to keep the rainbow Fun Abounds leotard for those that compete at Club I and County H as it is considerably cheaper than the new one. This is because it is a stock item in the Milano catalogue, it is sleeveless and it has no diamanté applique. Milano has guaranteed its production as a Club leotard until 2013. For those that do not currently have a rainbow leotard and are competing in the next H & I, we have ordered some rainbow leotards from Milano which we will hire out if you do not want to buy one. All those that compete at grade Regional G and above will be obliged to wear the new Sky High leotard however, which will be ready for the next D-G competition on 12th October. We will be sizing everyone very soon in order to have them in time. Please remember, all girls will need to train in sleeveless leotards from 1st September, so even if your child/ren qualify to G at the next competition and therefore need the new leotard, they will be still able to wear their rainbow leotards to training so they will not be wasted. For those competing at DMT, there will be a sleeveless version of the new leotard, but we do not yet have a cost for that.

You may have noticed a new face amongst the Coaches. We would like to welcome Kim Kennedy as one of the Coaches on the Sky High coaching team. Kim is a Senior Club Coach for trampoline and a Club Coach for DMT and until recently was Head Coach of Orbital Stars Trampoline Club in Horsham. She has realised that what Fun Abounds Trampoline Centre has to offer is a great opportunity for any Coach to progress and work with some of the best performers in the country and has consequently been invited to join us. Kim was herself a National level performer and has a lot of coaching experience. She will be working alongside us all for a little while so will get to know all the performers and we know she will be a great asset to us. Welcome Kim and we hope you have a long and happy time with us.

We are in the process of updating the website and also the noticeboard. You will soon see photographs of all the Coaches on display (lucky you!) and very soon some photos of our performers in their new leotards. Please take time to read the policies and guidelines in the plastic holders underneath the noticeboard as they contain important information for all to understand.

Congratulations to Hugo Spackman, Steve Spackman, Katherine Venn and Gail Andrews, who recently completed and passed their Trampoline Club Judge awards. With so many performers (a phenomenal 39 entries in the next H & I competition!) we can never have enough Judges so if you feel you would like to help your Club in this way, please let us know. Also, congratulations to Gail Andrews, Chris Jenner and Kim Kennedy who travelled all the way to Bath this weekend to take the DMT Senior Club Coach course and all passed with flying colours. Well done. You are all superstars!

Happy bouncing!

Stella, Gail, Mike, Chris, Kim and Kayleigh - The Sky High Coaching team
