

Dear All

Wow what a day! The Club I and County H competition at Worthing Leisure Centre on Sunday 11th September was absolutely phenomenal and to see all the children in their leotards, shorts and t-shirts was brilliant. On a day remembered for the sadness it brought 10 years ago across the world, the first outing of Sky High Trampoline & DMT Club was certainly a day of celebration. Huge thanks to Gail for getting everyone kitted out so well - they all looked fantastic! Not only did they look fantastic, but they all represented Sky High to the very best of their ability and we are incredibly proud of them all. Just as a reminder, to qualify from Club I to County H a score of 42.0 is needed and to qualify from County H to Regional G, a score of 43.5 is needed. There is also the possibility of skipping a grade if a high enough score is gained i.e to qualify from Club I to Regional G, a score of 44.5 is needed and to qualify from County H to Regional F, a score of 46.0 is needed. The list of Sunday's achievements is never-ending it seems!

We would like to give enormous thanks to everyone that helped on the day and made it such a memorable experience for all involved. Kim Kennedy, Katherine Venn and Hugo Spackman as Judges, Tony Saunders as Computer Operator, Hannah Saunders and Chris Jenner as Competition Marshals, Gail Andrews, Mike Jackson and Stella Jackson as Coaches on the competition floor and Niamh Andrews, Frankie Battell and Elliot Storey, who came along to support the Coaches and help to look after all the competitors, for

many of whom it was their first competition. Everyone who took part gets a certificate, so these will be presented to your children during the week.

A couple of suggestions for next time..... Girls - please make sure you don't wear knickers under your leotards and for both boys and girls, a trick used by all National level performers to keep your lovely new white socks clean - wear a pair of dark socks over the top of your white ones all the time you are warming up and wandering around and then remove them just before you compete.

If watching your child/ren compete has inspired you to become involved, the next judging course will be taking place in Gillingham on 1st & 8th October. Please let either Gail or Stella know if you are interested as soon as possible.

The next Regional G competition is to be held in Gillingham on Sunday 16th October and the next Club I and County H competition is to be held in Hailsham on Sunday 13th November. Also coming up is the South East Regional Championships in Gillingham on 30th (DMT) & 31st October (Trampoline) and the South East Regional Schools Trampoline competition to be held at Fun Abounds on Sunday 4th December (details will be sent to you all and will also be available at the Centre).

Katherine Venn and Connie Pooley are travelling to Wales on 22nd and 23rd October to take part in the Welsh Invitational competition at DMT. They will be up against performers from both this country and abroad and we wish them both the very best of luck.

Gail Andrews and Chris Jenner are attending the Trampoline High Performance Coach course in Gillingham on 1st, 2nd, 8th, 9th October and 6th November before having to do a gruelling 50 mentored hours each with Stella to give their performers the best opportunities possible to reach National and ultimately International status. Good luck guys!

On Saturday, 19th November we will be holding a Sponsored Bounce, which we were hoping to run in September but time just slips away! For those of you who took part in the Sponsored Bounce last year, it will be run on a very similar basis. We need the money to buy the 2 4x4mm trampolines mentioned in the first newsletter, so please consider taking part and help us with this cause.

The Sky High Christmas Party will take place on Saturday, 17th December at Fun Abounds, so please put the date in your diaries as it promises to be a great night!

Happy bouncing!

Stella, Gail, Mike, Chris, Kim and Kayleigh - The Sky High Coaching team
