

Dear All

Wow another great day! The Regional D - G competition held at Jumpers Rebound Centre in Gillingham on Sunday 16th October was absolutely fabulous and to see all the children in the new Sky High leotards and t-shirts was thrilling. We wanted to be noticed and we most definitely were! There was so much to celebrate on the first regional outing of Sky High Trampoline & DMT Club. Huge thanks to Gail for getting everyone kitted out so well - they all looked fantastic! Not only did they look fantastic, but they all represented Sky High to the very best of their ability and we are incredibly proud of them all. Just as a reminder, to qualify from Regional G to Regional F a score of 45.0 is needed, from Regional F to Regional E a score of 47.5 is needed, from Regional E to Regional D a score of 49.5 and to get a promotion offer to National Level C from Regional D, either a score of 51.0 to qualify immediately, or a score of 49.0 PLUS being in the top 20% of the competitors in that group on the day. There is also the possibility of skipping a grade if a high enough score is gained i.e to qualify from Regional G to Regional E, a score of 48.5 is needed and to qualify from Regional F to Regional D, a score of 50.5 is needed. There is no opportunity to leapfrog from Regional E to National C. The requirements for DMT are a little different and at present there is no qualification scoring system in order to go into the National circuit, however this is more than likely to change in 2012. The list of Sunday's achievements is never-ending it seems!

We would like to give enormous thanks to everyone that helped on the day and made it such a memorable experience for all involved. Tony Saunders and Stella Jackson as Judges, Gail Andrews, Mike Jackson, Stella Jackson, Chris Jenner and Kim Kennedy as Coaches on the competition floor and Katherine Venn, Hannah Saunders and Elliot Storey, who came along to support the Coaches and help to look after all the competitors, for many of whom it was their first Regional competition. It would be wonderful to have a record of these events on DVD. Does anyone have photography skills that would be willing to become the Club's official photographer and indeed have any equipment to go with it?

The next competition is the Welsh Invitational Championships on 22nd & 23rd October, where Katherine Venn is representing Sky High for DMT. Many thanks to Helen Joliffe from Gatwick Flyers Club, who is accompanying Katherine as her Coach over the weekend. Good luck Katherine! The Regional Closed Championships is to be held at Gillingham on Sunday 30th October where the Club will be represented at Elite level by Kayleigh Nisbet, Tayla Nisbet and Elliot Storey and at Intermediate level by Niamh Andrews, Bethany Winter, Louise Brownsey, Anastasia Winterton and Megan Heraty. Beth Winter and Niamh Andrews will also be taking part in the Synchro competition and Connie Pooley, Kayleigh Nisbet and Tayla Nisbet at DMT. Fingers crossed for having the first Regional champions for Sky High! The next Club I and County H competition is to be held in Hailsham on Sunday 13th November into which the Club has entered 33 competitors and a reminder of

the South East Regional Schools Trampoline competition to be held at Fun Abounds on Sunday 4th December. The Southern Zonal round of the Schools' competition is also to be held at Fun Abounds on 15th January 2012. If you are unsure of anything, please just ask and we'll be happy to help.

There will be lots of help needed at both of the Schools' competitions (4th December & 15th January) - selling of tickets, cake stall, raffle/tombola, guess the amount of sweets in a jar. Lots of prizes will be needed for the tombola, so please bring these into the Centre if you are able, otherwise let us know if you are able to offer some time on either of these days.

Congratulations to Tasha Gardener (Oscar Compbell's Mum) and Debbie Green (Hannah Green's Mum) who both completed and passed their Club Judge course on 8th October. Well done to you both and thanks for supporting the Club in this way. With an ever-increasing number of competitors, we need more officials, so this is a constructive way of helping the Club become more and more successful.

The editor of this newsletter (me - Stella!) made a huge boob on the last newsletter, which was pointed out by many of you who obviously read the newsletter from cover to cover. The Sponsored Bounce will not take place on Saturday, 19th November as the Centre is closed! All the Coaches and several parents and Club members are heading off to the Birmingham NIA to watch the Trampoline & Tumbling World Championships. Gail has 1 Adult and 1 Child ticket left for Sunday 20th November, so please talk to her if you are interested in buying them. Please note that as the Centre is closed, there will be no training on Saturday, 19th November. The Sponsored Bounce will take place sometime in the future - date to be confirmed.

The date of the Sky High Christmas Party has been changed. It will now take place on Sunday, 18th December at Fun Abounds, so please amend the date in your diaries. It promises to be a great night, with a disco with flashing lights, food, festive fun and so much more! We are planning to give the performers gifts at the party, so we would love them all to come. Please note it is NOT a trampoline party, so start getting your party outfits ready - the glitzier the better! If anyone has any ideas for party games etc, please let either Gail, Stella or Mike know so we can plan the evening. Bring your own drink and make sure you book that taxi!!

Next week is half term and training times remain unchanged apart from Friday, when training will be from 4:30pm - 6:30pm as during previous holidays. As it is now starting to get a bit chilly in the evenings, we would suggest the children have tracksuit bottoms or leggings and a warm top to put on when they get off the trampoline or DMT, so as to keep their muscles warm and avoid injury however this does not change what they wear while training.

Beth Jaques has done a fine job of getting people together to discuss fundraising ideas for the Club. A long list has been compiled and attached to this newsletter is a list of the

ideas in the form of a questionnaire for you to indicate to what extent you would like to get involved with them. Please fill it in as quickly as possible and return to Beth (via Reception) so we can start putting some of the ideas into action. If you have any other ideas, please add them to your questionnaire reply. Here are just some of the things we are raising money for:

2 x 4mmx4mm trampolines 2011	£10,000	We have 2 on temporary loan until end of
2 sets of end decks 2011	£4,000	We have 2 on temporary loan until end of
3 x laptops & cameras to trampoline & DMT	£2,000	For running Kinovea, a computer programme analyse routines and skills for
1 x Club camcorder	£500	For use at competitions
1 x Club camera	£300	For use at competitions
Trophy cabinet	£600	
Sky High sign for outside of the Centre ??		Can anyone help with this?

Does anyone have any lockable filing cabinets lurking in a dark corner at home? We really need two for use in the Centre's office. Please let Stella know if you are able to help at all.

Happy bouncing!

Stella, Gail, Mike, Chris, Kim and Kayleigh - The Sky High Coaching team
