

Dear All

The Club is going from strength to strength and the Club members never cease to amaze us. This was no more obvious than on Sunday, 13<sup>th</sup> November at the Club I and County H competition held at Hailsham Community College, the home of Jump Trampoline Club. The performers looked fantastic, the number of parents and relatives that came along to support them was phenomenal and the results - well simply brilliant! Well done to everyone that took part. For those that didn't quite achieve what you were hoping for, don't give up. If you keep working hard, you'll get there. You are all amazing and we are really proud of you. Huge thanks to everyone that helped on the day and made it such a memorable experience for all involved. Kim Kennedy, Katherine Venn, Hugo Spackman and Tony Saunders as Judges, Chris Jenner and Hannah Saunders as Competition Marshalls, Stella Jackson, Gail Andrews and Mike Jackson as Coaches on the competition floor and Frankie Battell, who came along to help look after the performers and provide extra moral support. The competitions could not run without you all and we are most grateful for your support.

A UKCC Level 1 coaching course will be taking place at Fun Abounds on the following dates - 27<sup>th</sup> November, 11<sup>th</sup> December, 12<sup>th</sup> February and 15<sup>th</sup> April and Natalie Axell and Lynette Bradford (Daniel and Ben's Mum) have signed up to attend. A Proficiency course is taking place at Fun Abounds on 18<sup>th</sup> December, to which Anna Dengate, Danielle Akerman, Amy O'Riordan have signed up to attend. We wish you all the very best of luck and hope you enjoy yourselves. There are still spaces on both courses, so please talk to either Gail or Stella if you are interested in starting on the road to coaching trampoline. Congratulations to Mike Jackson, who recently completed and passed his UKCC Level 3, Module 1 coaching course. He is now able to coach skills which take his performers up to grade Regional D and is keen to take Module 2 in order to progress even further. Well done Mike! Also, congratulations must go to Gail Andrews and Chris Jenner for completing their HPC course. They now have 2 years in which to help their performers learn these high level skills in order to take the exam and enable their performers to use them in competition.

Debbie Green has very kindly offered to make up Christmas hampers, which are to be raffled off to raise money for the Club. She needs lots of goodies to fill them and we are asking if you could bring in anything you feel could go into a hamper. She is intending to have hampers with different colour themes, so requires donations in Red, Gold and Blue

(they can be other colours, but simply wrapped in those colours). If you are able to help, please start bringing these goodies into the Centre as soon as possible.

Copies of all the newsletters and competition results are now available on the Fun Abounds website on the Club page. The Centre is branching out onto Facebook very soon so hopefully (if we can work it - not being very up on these things) we will be able to post urgent items on Facebook. Don't forget the Centre is closed on Saturday, 19<sup>th</sup> November.

Happy bouncing!

Stella, Gail, Mike, Chris, Kim and Kayleigh - The Sky High Coaching team
